OFFICE OF THE SCHOOLS DIVISION SUPERINTENDENT

Department of Education, Division of Negros Oriental
Kagawasan Avenue, Capitol Area, Daro, Dumaguete City

Sir/Madam:

Greetings!

We would like to ask your good office the condition of our schools in the vicinity of the Municipality of Manjuyod to the municipality of Vallehermoso especially after the devastation brought by typhoon "Odette" in our province.

Presently few request received by this office for the utilization of the uprooted/fallen trees within the school campus including standing trees that are hazardous to life and property especially during the resumption of face to face classes.

Our office is much willing to assist our school district supervisors, principals, in-charge, in complying few requirements to wit: Letter request, Title/tenure, sketch plan, Brgy. Certification that interposes no objection.

Thus, all request that emanate from our local school offices must have a clearance from your office allowing them to apply.

The DENR-CENRO Ayungon is currently conducting an inventory of all uprooted/fallen trees along our jurisdiction (Manjuyod to Canlaon City) within the timberland area, A&D, and public places. Hence, you are advise that a scheduled inspection will be conducted on a first come-first serve basis.

For your information and guidance.

Respectfully,

RAUL M. RUSSEI
OIC CENR Officer
