III. PROPOSED DATE: January 11-14, 2022

IV. PROPOSED VENUE: Region 7 (Cebu City)

V. RATIONALE

In line with DepEd Order No. 12, s. 2020 or the Adaptation of Basic Education Learning Continuity Plan (BE-LCP) for the School Year 2020-2021 considering the COVID-19 public health emergency and DepEd order no. 18, s. 2020 or the Provision of Learning Resources in the implementation of the BE-LCP, the Department of Education supports its television-based lessons on distance learning program through "DepEd TV". In relation to the latter, this series of training-workshop will help equip our teachers with the necessary skills needed in producing quality video lessons for the benefit of the teachers especially the learners in their respective division/ region.

The program will develop the necessary skills needed in instructional video production processes specifically in scripting, studio set-up, props making, hair and make-up, music design, basic camera settings, and camera shots, basic photo editing, basic video editing, and content quality assurance to ensure that every instructional video lesson produced is in the highest possible standard.

This training will not only help our ALS implementers to build confidence in front of the camera but will also help them to creatively develop instructional video lessons that can be an alternative to deliver learning in this new normal in education and even after the pandemic.

VI. Objectives:

The objectives of the activity are as follows

- To orient the ALS implementers with the importance of producing quality video lessons and the fundamental skills needed in the production of instructional video lessons.
- To capacitate them with the soft skills needed in video editing to become effective teachers in front of the camera.
- To encourage the ALS implementers to produce instructional video lessons that will be aired on their local TV channels or official social media platforms.
