Schools Division Superintendent

DepEd-Negros Oriental Division

Dumaguete City

Dear **Mr. Paulin**:

A spirit-filled day to you!

The recent havoc brought by Typhoon Odette amidst the pandemic has resulted in immense damage to properties, houses and even lives. This phenomenon has made a turn-around in one's view of life and coping, especially for those who survived the tragic event. In this trying time, we are challenged to show compassion and heal as one.

In this light, Silliman University, in coordination with the Philippine Guidance and Counseling Association Negros Oriental-Siquijor Chapter, will spearhead the conduct of the first Psychosocial intervention initiatives of Higher Education institutions in Negros Oriental: Towards Collaboration and Sustainability on February 4, 2022, at 2:00 – 4:00 PM via Zoom.

As part of this activity we have invited three universities in Dumaguete City to present the Psychosocial Intervention Initiatives of their respective universities. The presentations shall describe how psychosocial intervention support are practiced or organized in their respective schools.

It is our great pleasure to invite you and your schools' department heads of Guidance, Psychology, Extension and Student Services to this virtual initiative which aims to gather focal persons from different schools and colleges in the city and provincial divisions to provide awareness and essential information in doing psychosocial support.

Kindly click on the registration link <https://forms.gle/dQUGPjmmid8uq4B17> to join us.

Thank you.

Sincerely,
