SENEN P. PAULIN, CESO V
Schools Division Superintendent

Sir:

May the peace of the Risen Christ be with you always!

The Diocesan Youth Ministry in Campus - Dumaguete (DYMC) is a movement of youth which aims to propagate a deep devotion to our Blessed Mother Mary and eventually lead them to the Eucharist with a great attachment to the Holy Father. The objective of this group is to form a Fraternal, Praying, and Apostolic Christian Community. This group is under the guidance of the religious congregation of the Marian Missionaries of the Holy Cross Dumaguete Community.

In celebration of the 500 Years of Christianity in the Philippines; in keeping with the thrust of the Department of Education on Values Education, and in the spirit of service and dedication for the moral and spiritual welfare of the Filipino youth, our community has again been organizing for the activities and programs of the DYMC. We believe that the young, who greatly need assistance in their intellectual, physical, emotional, moral, and spiritual growth most especially during this time of pandemic, will be developed to the best of their potentials if the entire educative community will work together.

With these, we would like to humbly request your good office if you could allow us continue with our work of catechesis and evangelization among the schools under your jurisdiction, particularly the ones listed below. Despite the pandemic, we also wish your kind office to allow us organize and online "DYMC Leadership Seminar 2022: For Moral Values Enrichment" on February 17,24 and March 3,10. And if it is not so much of a request, we would like to ask from you a written memorandum of the above request for easy dissemination and invitation among the selected DYMC schools.
