Dear Dr. Paulin,

Greetings. Hope is everything well and good at your end.

Foundation University would like to extend our heartfelt gratitude for your continued support in our recruitment activities in the various schools under the Division of Negros Oriental through the years.

This year is the university's 73<sup>rd</sup> year of dedicated pursuit of quality education. We are gearing up for the annual recruitment campaign to various primary and secondary schools in the province. In this regard, we would like to seek your permission to allow FU to conduct recruitment campaigns in schools under your supervision through virtual platforms and other allowed promotional activities. We intend to run our campaign from March-May 2022.

Your approval of our request is vital for Foundation University in sharing to students our program offerings and available scholarships.

For any inquiries about our plans, you can contact our Marketing Team via Mr. Cyril M. Mapula at 0975-950-3663.

We are fervently hoping for your positive response at the soonest time possible.

Thank you, and God bless.

Respectfully yours,

**EBENEZER Y. LIM, MBM, JD**  
Chancellor
