Through: **Dr. Juvelyn Otero**
Education Program Supervisor
Department of Education - VII

Dr. Jimenez,

Auspicious Blessings!

Guang Ming College - Cebu is a prime Performing Arts college in the Philippines that nurtures talents and communities through humanistic cultivation. For the past 4 years, we have been collaborating with DepEd to deliver our projects and advocacies to our communities here in Central Visayas. Last 2019, we have invited the principals and representatives of DepEd Regional Office VII for a 3-day training on Three Acts of Goodness (TAG): doing good deeds, speaking good words and thinking good thoughts. We have also been partners in giving recognition of the good works of our graduates from different divisions through our TAG award and TAG grants.

This year, GMC is accepting academic scholars for the school year 2022-2023. Our school will provide full scholarship including tuition fees, lodging, food and learning materials for the whole duration of the scholar's studies. With this regard, We would like to ask your good office to help to cascade this information to your divisions and schools. I hope we can work together again to help our students who might want to continue studying but do not have the monetary means.

Attached in this letter are the specifications of the scholarship grant and the application process.

We hope to hear from you soon!

All the best,

Junrey Alayacyac

Students are enjoined to practice the Three Acts of Goodness in their everyday lives. The experience of Life Education will have a lasting effect on the students especially after they have successfully graduated from the college and venture into life beyond GMC.

Life in Campus

The GMC campus is an ideal place for education because of its well-appointed facilities like classrooms, library, computer laboratory, dance and theatre studios and halls for meditation.
