DATE : April 28, 2022

Pursuant to DepEd Order No. 003, s.2021, dated 15 January 2021, entitled "Creation of the Child Protection Unit and the Child Rights in Education Desk in the Department of Education," this Office has been mandated to supervise the Child Protection Unit (CPU) and oversee the implementation and formulation of policies and guidelines on child protection.

One of the primary functions of the CPU is to serve as the lead office of the Department in planning, implementing, coordinating, and evaluating programs, projects, and activities, including intervention mechanisms, related to child protection at different levels of governance levels of the Department.

This year, one of the CPU's main objective is to establish links with partners and stakeholders in general to promote the dissemination of information on Child Protection.

As part of our advocacy program, the CPU will publish a journal entitled **#KasamaKa: Talaarawan**, to raise the awareness of the DepEd Community on matters related to child protection. The CPU Journal will also showcase and aim to give recognition to the forerunners and champions in the field offices in our shared goal of promoting our advocacy for child protection.

Selected Regions/Divisions will be featured and the core theme will focus on the best practices and localized policies in the implementation of the Child Protection Program. This will be a compilation of stories and write-ups from our learners, teaching, non-teaching personnel, and school child protection workers.
