Security Bank Foundation, Inc., (SBFI) is one with the Department of Education (DepEd) in providing the distance learning experience to our public school learners and teachers amidst this COVID-19 pandemic, while supporting the transition to limited face-to-face classes.

In line with this, the Foundation continues to implement various education programs including the conduct of the **re-run of virtual teachers' training program for elementary English Teachers** complemented with the **re-airing of its 20 "Ready, Set, Read!" videos** covering the following competencies under the Most Essential Learning Competencies (MELCs):

In return, SBFI will be giving monetary incentives to teachers who will have the:

- Most number of learners administered with the exam; and
- Highest average score of all learners administered with the exam provided average score is at least 80%.

Below is the schedule of the impact assessments. Teachers may have their students answer via online or printed exam with the link and templates to be provided by the Foundation immediately after the corresponding virtual elementary English teachers training per grade level.
