DR. SENEN PRISCILLO PAULIN, CESO V
 Schools Division Superintendent
 Province of Negros Oriental

Dear Dr. Paulin:

First and foremost, please accept our heartfelt appreciation for your valuable support to St. Paul University Dumaguete, by way of giving us the opportunity of promoting SPUD in the schools under your supervision.

As the Academic Year 2021-2022 will soon conclude, we are preparing for our next campaign activities. We will be very grateful if we could elucidate and distribute to your students our campaign materials, such as pamphlets and brochures which may be inserted in their modules. These materials are related to the Learning Modality we are using during this time of pandemic. We call this *PAULINIAN BLENDED LEARNING (PBL)*, an outcomes-based distance learning platform where teaching-learning engagements happen through online mediums, and through offline via a modular self-paced time frame. We will also take the occasion of informing the students of available scholarships from various entities.

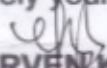

Where possible, with your kind permission we would also be happy to conduct a virtual meeting preferably on a SATURDAY with your Grades 6, 10 and 12 for a brief PBL orientation. This is one of our means of encouraging students to experience the *Now Normal Education* – the *PAULINIAN* way. Once permission is granted, the link of the meeting will be sent.

It is always a pleasure to have this opportunity to collaborate with one another in the education of our students. As Pope Francis says: *“Education has always been an act of hope that looks from the present to the future”*. For us, Educators, this is both an encouragement and a challenge.

In thanking you once again, may we look forward to hear from you. Please contact the undersigned should you have any inquiries. The undersigned can be reached through these mobile numbers: 09970670600 and 09177037852.

CARITAS CHRISTI URGET NOS!

Sincerely yours in Christ,
