Subject: **ICTS AS A CPD PROVIDER ACCREDITED BY PRC**

The Information and Communications Technology Service (ICTS) has just been **accredited by the Continuing Professional Development (CPD) Council of Professional Teachers of the Professional Regulatory Commission (PRC) as a CPD Provider.**

ICTS has been given the Accreditation No. PTR-2022-366.

From here on, all trainings regulated under the ICTS programs, especially Educational Technology (EdTech), will render and be given CPD points that will be beneficial to our public school teachers and personnel.

The vision of transformative and competitive professional growth among the teaching and non-teaching personnel of the Department of Education (DepEd) in using emerging technologies, software and mobile applications, cybersecurity and digital equipment in delivering quality and world-class instruction is the prime mission of the ICTS.

With the rapid growth and advancement in technology and digital learning, ICTS, backed by the leadership of the Office of the Undersecretary for Administration (OJA), submitted to the Professional Regulation Commission (PRC) pertinent documents as ICTS applied to become a Continuing Professional Development (CPD) Provider.
