Supt. SENEN PRISCILLO P. PAULIN, CESO V
Schools Division Superintendent
Division of Negros Oriental

Dear Supt. Paulin:

As part of the Foundation University College of Education Professional Learning Community sessions, we have invited Mr. Rolando Villamero, Jr. to speak virtually on the topic **"INCLUSION IN EDUCATION"** on April 20, 2022 at 11:00 o'clock in the morning Philippine time which is 6:00 am Palestine time where our speaker is presently assigned. On April 27, is another virtual lecture on **"Tech Integration in Teaching."** Our speaker is a teacher at West Mesa High School, Albuquerque, Mexico, USA.

Our speaker, Mr. Rolando Villamero, Jr. on "Inclusion in Education" is a resident of Castellano, Calatrava, Negros Occidental. He is presently connected as the Regional Inclusive Education Specialist for a French International non-government organization called Humanity and Inclusion. His work actually covers the Middle East region focusing four countries, namely: Egypt, Palestine, Lebanon and Jordan. On the other hand the 2nd speaker on Tech Integration in Teaching was once a DepEd teacher of the Division of Negros Oriental who is now teaching at West Mesa High School, Albuquerque, Mexico, USA. Both Filipino speakers who have been working abroad are excited to share to all of us best practices they have in their respective work places.

With FUCE's advocacy to build a community of learners, we wish to share this opportunity with the Department of Education.

Please let us know if you are interested to join so we can send the link to you.

Thank you very much.

Very respectfully yours,

ERLINDA N. CALUMPANG, EdD
Dean
