Warm greetings!

The **University of the Philippines Society for Hotel and Restaurant Progress (UP SHARP)** is a non-stock, non-profit organization duly recognized by the university as a socio-academic organization. It has committed itself to the development of leadership and promotes excellence and socio-civic consciousness among its members.

True to its name, the organization has always strived for progress despite these difficult times. In this light, UP SHARP will hold **Money Hayst: Revamping Your Financial Know-how (Year 2) on April 23, 2022 (Saturday), 4:00-5:30 PM via Zoom**. The event aims to gear up young adults on what lies ahead of their adulting, especially in terms of financial management and literacy, and to be equipped with knowledge that will propel them as responsible and financially-wise citizens in the future. Topics of this webinar include the *best initial investments for young adults* and the *know-how of online banking and e-wallets* that became a trend during the pandemic.

We believe that these kinds of events would help the senior high school students, even those who do not belong to the Accountancy, Business, and Management (ABM) Strand, in gaining knowledge about financial management which would be helpful in shaping them into financially-wise and responsible individuals.

With that, may we please request your good office to disseminate and inform the senior high school teachers and students about the event, especially those who belong to schools under your division.

Should you agree to endorse it, here is the pre-registration link for the event: <https://tinyurl.com/MoneyHayst2PreReg>. We have attached the [formal letter of request](#) and a [primer](#) with the event details which you can use for information dissemination.

For any other questions and/or concerns, feel free to contact us through this email. We will be more than willing to discuss with you any further clarifications.

Thank you, and we are hoping for your most favorable response. Your support would greatly affect the success of our event.
