IIEE - CSC EInvestigation 2022 Invitation Letter for R7 Division Offices

IIEE CSC K-12 Committee <k12committee,iiiecsc@gmail.com>

Sat, Apr 16, 2022 at 12:01 PM

To: region7@deped.gov.ph

Bcc: negros.oriental@deped.gov.ph

Greetings!

The **Council of Student Chapters (CSC)**, the national student arm of the **Institute of Integrated Electrical Engineers of the Philippines, Inc., (IIEE)**, has been meaning to provide quality service to all its constituents. In realization, the **IIEE-CSC Batch 35** conducts a free webinar for high school students entitled **"EInvestigation 2022: Seeking for Footprints of Future"**.

In line with this, the IIEE-CSC would like to enthusiastically invite **Grade 11 to Grade 12 students** taking any strand, and **Grade 10 students** from different schools under your division office to attend the aforementioned event that will be held on **April 30, 2022 from 1:00 PM to 5:00 PM via Zoom**. We believe that this will be beneficial for the high school students to be prepared on their college journey.

Attached below are the invitation letter and concept paper for your reference. Please take note of the Registration Form link in the concept paper.

We are sincerely hoping for your positive response to this invitation. If possible, we would appreciate to hear from you on or before April 22, 2022 (Friday).

Thank you very much and Godspeed.

In service of the EEIET community and the Filipino students,

ROSE ANN R. BLANQUEZA

Event Head and Chairperson of K-12 Committee

IIEE - Council of Student Chapters

DATE : April 16, 2022
TO : DEPARTMENT OF EDUCATION – DIVISION OFFICES UNDER
REGION 7
THRU : IIEE - COUNCIL OF STUDENT CHAPTERS OFFICERS
SUBJECT : INVITATION FOR THE EEnvestigation 2022

Greetings!

The **Council of Student Chapters (CSC)**, the national student arm of the **Institute of Integrated Electrical Engineers of the Philippines, Inc., (IIEE)**, has been meaning to provide quality service to all its constituents. In realization, the **IIEE-CSC Batch 35** conducts a free webinar for high school students entitled **“EEnvestigation 2022: Seeking for Footprints of Future”**. This undertaking intends to:

- Promote college awareness amongst the high school students across the Philippines.
- Impart technical and non-technical knowledge, skills, and attitudes to the high school students.
- Encourage the high school students to consider choosing the EE/ET as their degree programs in college.
- Show school opportunities that caters EE/ET programs, where they can possibly enroll for college.

In line with this, the IIEE-CSC would like to invite Grade 11 to Grade 12 students taking any strand, and Grade 10 students from different schools under your division office to attend the aforementioned event that will be held on **April 30, 2022** from **1:00 PM to 4:30 PM** via **Zoom**. We believe that this will be beneficial for the high school students to be prepared on their college journey.

Lastly, we would like also to request your good office to **excuse the following students from their classes** (if they have), who will be the webinar’s participants in the said event.

Attached herewith is the concept paper for your reference.

EEInvestigation 2022

Seeking for footprints of future

EVENT INFORMATION

- Title : EEInvestigation 2022: Seeking for Footprints of Future
- Date : April 2, and April 30
- Time : 01:00 pm - 04:30 pm
- Venue: Zoom Cloud Meeting and/or Live Streaming on Private Facebook Group
- Participants : Grade 10 to Grade 12 students (For SHS, any strand is welcome)

INTRODUCTION and RATIONALE

The Council of Student Chapters (CSC) of the Institute of the Integrated Electrical Engineers of the Philippines, Inc. (IIEE) brings forth a series of webinar to gather high school students from different regions across the archipelago. This is an event entitled, *EEInvestigation 2022: Seeking for Footprints of Future*.

To warmly provide great opportunity for the college year, the EEInvestigation 2022 is established with a primary intent of opening the minds of the high school students of what Electrical Engineering and Electrical Technology were all about, and what future breaks it can provide. Moreover, to guide them on exploring and preparing for College to consider choosing these degree programs.

The said event is divided into five series set for different regions. The webinar will be held during the Saturday afternoon of the specified months above. Thus, there will be two speakers per week coming from each region. One will talk about the technical aspects about EE & ET like the subjects under it, range of salary, careers/jobs after graduation, etc. The other one will share about the experiences of being EE/ET student, experiences as a professional, tips on how to survive EE/ET programs, etc.

- April 2 (Grade 10-12 from Regions 1-2: Northern and Central Luzon)
- April 30 (Grade 10-12 from Regions 3-4: Metro Manila and Southern Luzon)
- April 30 (Grade 10-12 from Regions 5-6: Bicol and Western Visayas)
- April 30 (Grade 10-12 from Regions 7-8: Central and Eastern Visayas, and

EEnvestigation 2022

Seeking for footprints of future

GOALS

1. Promote awareness amongst the high school students across the Philippines.
2. Impart technical and non-technical knowledge, skills, and attitudes to all the high school students.
3. Encourage the high school students to consider choosing the EE/ET as their degree programs in college.
4. Show school opportunities that caters EE/ET programs, where they can possibly enroll for college.

OBJECTIVES

1. To provide platforms for deeper understanding what were Electrical Engineering and Electrical Technology was all about.
2. To guide High school students to explore and plan for their future career when they choose EE/ET programs based on their individual interests, skills, and values they can consider as strengths for these degree programs.
3. To encourage K-12 students to actively participate in career orientation like this in order to enhance their academic and career experiences' linkage, and thus improve their degree program/career preparation and management.

PARTICIPANTS and REGISTRATION

The participants of this event shall welcome all the **Grade 10 to Grade 12** students from different High Schools all around the Philippines.

There will be **no registration fee** for this event. However, there will be a registration form to be filled out that requires collection of personal information to be submitted to the IIEE-CSC.
