Dear Dr Paulin,

May we invite your senior high school students to our "Pagpugas: Sowing Seeds for Your Future" webinar on 30 April 2022, 1:30 – 4:00 PM?

This webinar, which will feature selected faculty members, students and alumni of Xavier University College of Agriculture, aims at promoting agriculture and food systems as viable career paths for the youth.

We hope your students join us in this event and see it as a good opportunity to "sow seeds for their future".

Please find attached our webinar poster and program flow. We would appreciate it very much if this invitation can be shared to the senior high school coordinators of both public and private schools in Negros Oriental.
