SUBJECT: Deployment of the Implementation Survey for the Progressive Expansion of Face-to-face (F2F) Classes

DATE: June 20, 2022

The Department of Education (DepEd) has transitioned from its pilot implementation of face-to-face (F2F) classes, which started in November 2021, to implementing the Progressive Expansion of Face-to-Face classes, following the President's approval on its recommended implementation last January 17, 2022. The progressive expansion of F2F classes is guided by the DepEd – Department of Health (DOH) Joint Memorandum Circular (JMC) No. 1, s. 2022 otherwise known as the *Revised Operational Guidelines on the Progressive Expansion of Face to Face Learning Modality* and DepEd Order o. 17, s. 2022 otherwise known as the *Guidelines on the Progressive Expansion of Face To Face Classes* which ensures the safe implementation of F2F classes while addressing teaching and learning challenges encountered in distance education.

As part of the assessment of its implementation, DepEd will deploy the **implementation survey for the progressive expansion of F2F classes** which aims in assessing the implementation and determining future policy action. Specifically, the survey aims to understand the overall perception and observations of the learners, teachers, parents, school heads and community members, particularly on their feeling of safety while in school premises; learning behavior as reported by themselves, their parents, and their teachers; and their satisfaction on the implementation of health and safety protocols and on the blended learning modality.

In line with this, DepEd is hereby deploying the **implementation survey for the progressive expansion of F2F classes** to concerned Regional Offices (ROs), Schools Division Offices (SDOs), and the public and private schools participating in the implementation of F2F classes. The survey will be answered by learners, parents, teachers, school heads, and community members who participated in the implementation of progressive expansion of F2F classes. **All parents of learner-respondents shall provide their consent (Attachment A). This survey will not in any way affect their continuous participation in and implementation of the progressive expansion of F2F classes.**

The survey will run on the following schedule:

- a. **ONLINE SUBMISSION.** This schedule is for the respondents who can respond through Google Form.

Target Respondent	Deployment Schedule
Learners	June 21 - 30, 2022
Teachers, school heads, parents/guardians, and community members	June 24 - 30, 2022

- b. **PAPER AND PENCIL.** For the respondents who have no or limited internet access, below is the schedule for deadline for encoding and submission through Google Form.

Target Respondent	Deadline for Encoding and Submission
Learners	July 08, 2022, 11:59PM
Teachers, school heads, parents/guardians, and community members	July 15, 2022, 11:59PM

All responses shall be used to assess the implementation and future policy actions. **Attachment B** outlines the protocols in administering and answering the survey while **Attachment C** provides the list of target schools.

Personnel from the **Quality Assurance Division (QAD)** of the ROs with the assistance of SEPS for School Management and M&E (SMME) and the SEPS for Planning and Research, shall closely coordinate with the identified schools to provide assistance in administering the survey.
