Sir:

Greetings!

In celebration of History Month (August), the **Culture and Arts Office** of the Province will conduct a **Forum** entitled "**Portal to the Past**" and a **Roundtable Discussion** dubbed as "**The Majoha Syndrome**." The activity is slated on **August 19, 2022** beginning at **9:00 o'clock in the morning** and is expected to end at **3:00 o'clock in the afternoon**.

The said event aims to --

- a) **Increase public engagement with history** so that audiences benefit from fresh insights and relevant information;
- b) **Advocate for the pursuit of history** so that more people will develop an interest in it;
- c) **Campaign to make history a vital framework** in decision making, attitudes and action so that communities receive counsel on issues and are informed about positive lessons from way back.

Relative to this activity, may we ask for your **endorsement and wholehearted support** of the project by asking DepEd teachers (History, Social Studies, Values Education, Arts) to attend this unique learning session. Similarly, we are encouraging **interested SHS students** to be with us during the Roundtable Discussion in the afternoon.

We believe that by engaging in activities such as these two, we are cultivating a constructive mindset within the community, allowing our fellow Negrosanons to grow as individuals and as professionals. Hopefully, you can support us in this endeavor. Looking forward to a positive response on the matter.

Respectfully,

**GEMMA MINDA ISO**
