To complement these efforts, LINK Center for the Deaf Inc. is offering a series of webinars, free of charge, to equip teachers with theoretical knowledge and practical skills to support students with diverse learning needs in various platforms such as in-person, online, and hybrid. The program also aims to help equip teachers, particularly general education teachers receiving learners with difficulties (LWDs) with knowledge and competencies in managing an inclusive classroom and providing effective instruction for LWDs.

The implementation of the Online Teacher Enhancement Program (OTEP) 2022 will be done in 3 parts. Part 2 of OTEP 2022 will focus on topics about Inclusive and Special Education.

SENEN P. PAULIN
Schools Division Superintendent
Negros Oriental

Dear Sir,

Greetings!

We are pleased to inform you that LINK Center for the Deaf Inc., in partnership with Misereor and Miriam College Growth Upgrading and Resource Office (MC GURO), is offering schools in your division the chance to participate in the Online Teacher Enhancement Program (OTEP) 2022: “Sustaining Inclusive Education in the Now Normal” Webinar Series.

As the Philippine education system shifts to a new landscape due to the COVID-19 pandemic, Public school teachers, both special education and general education will need continuous professional support and training to narrow the gaps for learners who are deaf in adjusting to the new learning modalities under the now normal and to remove the communication barriers faced by the students in the Inclusive Education classroom set up. To complement these efforts, LINK Center for the Deaf Inc. is offering a series of webinars, free of charge, to equip teachers with theoretical knowledge and practical skills to support students with diverse learning needs in various platforms such as in-person, online, and hybrid. The program also aims to help equip teachers, particularly general education teachers receiving learners with difficulties (LWDs) with knowledge and competencies in managing an inclusive classroom and providing effective instruction for LWDs.

The implementation of the Online Teacher Enhancement Program (OTEP) 2022 will be done in 3 parts. Part 2 of OTEP 2022 will focus on topics about Inclusive and Special Education.
