**CONDUCT OF PREPAREDNESS MEASURES FOR THE ONSET OF RAINY SEASON OR
LA NIÑA**

To: Schools Division Superintendents
Region, Division and School DRRM Coordinators
Public and Private Elementary and Secondary School Heads
All Others Concerned

1. On May 18, 2022 the Department of Science and Technology (DOST-PAG-ASA) declared the onset of rainy season. Nowadays, we were experienced several flooding and landslide incidents throughout Central Visayas.

2. In view thereof, this office would like to reiterate that all offices and schools to conduct prevention and mitigation and preparedness actions to our respective area of responsibility (AOR). The following are the recommendations:

- a) Implement D.O no. 33 s. 2021 (School-Based Disaster Measures for Tropical Cyclones, Flooding, and Calamities).
 - Regular pruning of trees (every 6 months),
 - Establishment/de-clogging of drainage canal or waterways or coordinate with Local Government Unit on the removal of obstructions that causes flood in your school,
 - Essential documents it should be placed on the plastic box /placed on the top of the cabinet on high elevation that cannot be easily reached by flood,
 - Establishment of early warning system.
- b) Prepare for a worst-case scenario (severe flooding and landslide);
- c) Regularly provide latest updates our schools, teaching and non-teaching personnel and learners about the weather situation in your locality.
- d) Execute MOA/MOU with LGU for the use of classroom as evacuation centers intended for internally displaced person (IDP) and other stakeholders for the prepositioning of supplies (teachers and learners kit), temporary learning spaces (TLS); and
- e) Continuous monitoring of areas prone to flooding and landslide.
