SUBJECT : **CREATION OF TECHNICAL WORKING GROUP FOR THE FORMULATION OF NATIONAL READING PROGRAM (NRP)**

DATE : October 6, 2022

The DepEd recognizes the importance of literacy development among learners as it plays a crucial role in knowledge formation and academic achievement. This is the reason behind the many reading programs and literacy interventions in place across the country. However, Filipino learners continue to exhibit unsatisfactory reading proficiency as evidenced by the recurrence of low scores in the English and Filipino sections of the Grade 10 National Achievement Test (NAT), the reading scores of the 2018 regional PISA or Programme for International Student Assessment and the results of the 2019 Southeast Asia Primary Learning Metrics or SEA-PLM.

The dismal reading performance of Filipino learners in both local and international large-scale assessments and continuous reports of illiteracy raise the need to develop a National Reading Program (NRP), which will streamline all existing programs and present an enhanced effort to develop learners' literacy skills. To effectively carry out this initiative, a technical working group (TWG) shall be created composed of the following:

Chair : **Director Jocelyn DR Andaya**
Co-Chair: **Director Leila P. Areola**
