# ASEAN Digital Literacy Programme Call for Partners

**CURRENTLY NOT ACCEPTING APPLICATIONS FROM REGIONS I, IV-A, IV-B, V, AND XI.**

Fill out this form if you are a **school administrator, teacher, student leader, LGU official, or community organization member** who is interested in getting your school or organization free digital literacy training, materials, and certification. *Kindly avoid submitting multiple responses for 1 school/organization/community.* Coordinate with your school/organization/community to ensure that only 1 response will be submitted.

Misinformation and disinformation are now one of our society's biggest threats and those from the underserved sectors are the most vulnerable. To battle against this, ASEAN launched the ASEAN Digital Literacy Programme with Google.org, Limitless Lab, and Break the Fake Movement.

The Master Trainers trained by Limitless Lab and Break the Fake Movement will deliver #DigiTalino to your school – a 2-hour workshop designed to teach your students and teachers about digital literacy and equip them with the tools they need to fight against misinformation and disinformation or the so-called fake news. The workshop contains lessons about:

- The Power of Information
- Disinformation Today
- Knowing Your Biases
- How to be #DigiTalino/digitally literate

As a partner, you will be expected to designate an ADLP Focal Person and provide participants.

*Be assured that your application is seen upon submission. However, due to the volume of applications, there is no certainty that your application will be accommodated. Please note that you will only be contacted if and when our Master Trainers have volunteered to facilitate training for your school/organization.*
