Dear Dr. Paulin:

Greetings of peace and good health from Asian College Dumaguete!

As our commitment to support the implementation of the K to 12 Program of the Department of Education and our mission to equip students with globally relevant knowledge and skills through excellent training and innovative people management, we are very pleased to be part of the students' dream in attaining their respective goals.

In connection to this, Asian College would like to ask for your kind approval and support to allow us to conduct **limited Face-To-Face Career Orientation Seminars** to your Junior (**Grade 10**) and Senior (**Grade 12**) High School students in their classrooms or via General Assembly or room to room to help graduating students understand their choices and assess their inclinations and interests for College.

Moreover, we would like to assure you that only members of the team who are fully vaccinated will get the chance to participate every time there is face-to-face interaction with the parents and students. Rest assured that our team will strictly follow social distancing and will disinfect materials before handing them.

We are very much looking forward to your positive response. You may contact us at these numbers (035) 225-4714; 0967-317-9207 or email us jtaguas@asiancollege.edu.ph.
