**SYNCHRONOUS AND ASYNCHRONOUS ON THE CONDUCT OF CONTINGENCY
PLANNING WRITESHOP**

To: Schools Division Superintendents
Region and Division DRRM Teams
All Others Concerned

1. The Philippines is exposed to both natural and human-induced hazards. These include hydrometeorological hazards such as tropical cyclones which bring flooding and landslides as secondary hazards; and geological hazards such as earthquakes and volcanic eruptions.
2. In terms of human-induced hazards, the country is threatened by armed conflicts fueled by political and secessionist movements, violent extremism, culture, and tradition-based conflicts.
3. This country is also affected by the COVID-19 pandemic. This is an example of a biological hazard that has a complex and wide-reaching adverse effect on the delivery of education services. It also affects other educational resources and investments and puts at risk both the lives of the learners and the personnel of the Department of Education (DepEd).
4. In view thereof, this Office will conduct the Online Synchronous and Asynchronous on the Development and Enhancement of Contingency Plan on July 19-21, 2022, through MS Teams platform (link and indicative program will be forwarded 5 days before the activity).

MEMORANDUM

27 May 2022

For: **Regional Directors
Schools Division Superintendents
Regional and Division DRRM Coordinators**

Subject: **GUIDELINES ON THE ALLOCATION, UTILIZATION,
DOCUMENTATION AND REPORTING OF DOWNLOADED
FUNDS TO REGIONS AND DIVISIONS FOR THE
DEVELOPMENT OR ENHANCEMENT OF CONTINGENCY
PLANS**

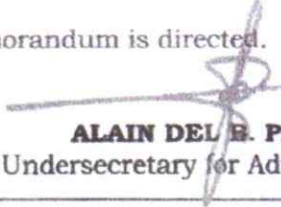

The Office of the Undersecretary for Administration (OUA), through the Disaster Risk Reduction and Management Service (DRRMS), issues the guidelines on the funds downloaded for the development or enhancement of Contingency Plans of regions and divisions.

Kindly refer to the attached Annex A titled *Implementing Guidelines on the Allocation, Utilization, Documentation and Reporting of Downloaded Funds to Regions and Divisions for the Enhancement or Development of Contingency Plans*.

The Department of Education (DepEd) conducts **contingency planning** annually to effectively prepare for, respond to and recover from disasters rapidly. This addresses the vulnerabilities of the education sector. It makes the continuity of education possible amid the pandemic, other disasters and emergencies arising from natural and human-induced hazards.

For more information on this subject, please contact DRRMS through telephone number (02) 8637-4933 or through email drmmo@deped.gov.ph.

Immediate dissemination of this Memorandum is directed.

Annex A

Implementing Guidelines on the Allocation, Utilization, Documentation and Reporting of Downloaded Funds to Regions and Divisions for the Development or Enhancement of Contingency Plans

I. INTRODUCTION

The Philippines is exposed to both natural and human-induced hazards. These include hydrometeorological hazards such as tropical cyclones which bring flooding and landslides as secondary hazards; and geological hazards such as earthquakes and volcanic eruptions.

In terms of human-induced hazards, the country is threatened by armed conflicts fueled by political and secessionist movements, violent extremism, culture and tradition-based conflicts.

The Philippines is also affected by the COVID-19 pandemic. This is an example of a biological hazard that has a complex and wide-reaching adverse effect on the delivery of education services. It also affects other educational resources and investments and puts at risk both the lives of the learners and the personnel of the Department of Education (DepEd).

II. IMPACTS ON SCHOOLS

Based on the Enhanced Basic Education Information System (EBEIS) of DepEd from school year 2009-2010 to school year 2017-2018, there were 43,810 schools nationwide that reported to have experienced natural hazards, and 21,949 schools have reported to have experienced human-induced hazards.

For this reason, DepEd conducts **contingency planning** annually to effectively prepare for, respond to and recover from disasters rapidly. This addresses the vulnerabilities of the education sector. It makes possible the continuity of education amid the pandemic, other disasters and emergencies arising from natural and human-induced hazards.

III. DOWNLOADING OF FUNDS

1. Funds shall be downloaded to Regions and Divisions and shall be utilized solely for the development of new or enhancement of existing Contingency Plans for natural and human-induced hazards, taking into consideration COVID-19.

The funds downloaded to the **regional offices** shall be used for

3. The regions and divisions are advised to utilize the suggested Contingency Planning templates. **(Please see Annex C.)**
4. Each division shall consolidate and maintain a database of schools with Contingency Plans and submit the consolidated data using the attached template **(Annex D)** to DRRMS at drmo+dp@deped.gov.ph.
5. The Regional and Division Budget Officers, in coordination with the Regional and Division DRRM Coordinators, should submit the documentation on the monitoring of fund support using the attached template (*Annex E.1 - Monitoring of Downloaded Fund Support to Regions and Divisions for the Development and/or Enhancement of Contingency Plans; and Annex E.2: List of Schools Participated in the Contingency Planning Workshop*) to DRRMS at drmo+dp@deped.gov.ph.
6. All expenses shall be subject to the usual budgeting, accounting, auditing and procurement rules and regulations. Misuse and/or mismanagement of these funds for the purpose other than those authorized in this guideline is strictly prohibited. Any violation committed by any individual or group will be dealt with in accordance with existing government accounting and auditing rules and regulations.
7. The judicious utilization of the fund is expected. Obligation, implementation and payment shall be compliant with the Executive Order (EO) No. 91 titled *Adopting the Cash Budgeting System Beginning Fiscal Year 2019, and for Other Purposes*.
