REGIONAL MEMORANDUM  
No. \_\_\_\_\_, s. 2022

**SUBMISSION OF THE DEVELOPED SELF-LEARNING MODULES  
IN PHOTOVOLTAIC SYSTEM NC II BUNDLED WITH ELECTRICAL  
INSTALLATION AND MAINTENANCE NC II**

To: Schools Division Superintendents

1. This Office, through the Curriculum and Learning Management Division (CLM D) in partnership with the Vivant Foundation, Inc., requests the concerned TLE Supervisors to facilitate the submission of the developed self-learning modules (SLMs) in Photovoltaic System NC II bundled with the Electrical Installation and Maintenance NC II on or before November 25, 2022.
2. The identified writers started the development of the SLMs last August 1-5, 2022 and were expected to submit last October 16, 2022. However, only few have submitted due to valid reasons. Considering that completion of these materials is one of the major requirements to offer the pilot implementation of the Photovoltaic System Installation bundled with the Electrical Installation and Maintenance NC II in the Senior High School Program of the identified schools effective SY 2023-2024, these must be quality assured and finalized before the end of CY 2022. Hence, complete submission of the version 1 of these materials on the indicated schedule is imperative.
3. See enclosed List of Writers with their assigned SLMs.
4. Immediate dissemination of, and compliance with this Memorandum are directed.
