Ma'am:

Foundation University College of Business Administration will be having its second Virtual **Foundation University Business Idea Development Award (FUBIDA)**. The said program is developed in order to enrich students' knowledge, skills and entrepreneurial potentials. Also, it gives the students of ABM, STEM and GAS strands of the different schools the opportunity to develop business and innovative ideas that could help solve current and existing socio-economic problems in their respective communities especially in this time of pandemic that we are currently facing.

The participants per school will compete in the **Inter-High School FUBIDA Competition on the 14<sup>th</sup> University Digital Expo on May 3, 2022 via online**. The Digital Expo is aimed to showcase innovations, 21st Century learning competencies and advocate effective use of technology as a helpful tool in modern-day learning.

With this, we would like to ask your permission and support for the Foundation University College of Business Administration to invite the following senior high schools on the said program: Metro Dumaguete (Dumaguete City, Valencia, Bacong and Sibulan), Dauin, Siaton, Sta. Catalina, Bayawan, San Jose, Amlan, Tanjay and Bais areas. With this, we would be asking for the list of schools and the corresponding principals of these areas.

Attached is the FUBIDA Rules and Guidelines. For inquiries, you can email at us [ligaya.tubo@foundationu.com](mailto:ligaya.tubo@foundationu.com) or you may also contact us through these numbers **422 9167 loc. 106** or **09366925334**.
