Re: Learning Activity Sheets Distribution and Online Orientation

Dear Dr. Paulin,

Greetings from Peace Corps Philippines!

In 2020 and 2021, Peace Corps/Philippines supported DepEd's BLD-TLD Multigrade Program in the development of learning activity sheets (LAS) for students in English, Science, and Math (3rd and 4th quarters, elementary level) in line with DepEd's Basic Education Learning Continuity Plan (BE-LCP). These LAS underwent DepEd's review, validation, and finalization process.

Peace Corps/Philippines printed limited copies of LAS for distribution to select schools and divisions. Each set contains six (6) LAS: 1) English Q3, 2) English Q4, 3) Mathematics Q3, 4) Mathematics Q4, 5) Science Q3, and 6) Science Q4. In the Division of Negros Oriental, we identified the following as recipient schools (former and possible future host school for PC Volunteers):

|   | Name of School               | No. of Sets |
|---|------------------------------|-------------|
| 1 | Balugo Elementary School     | 2           |
| 2 | Palinpinon Elementary School | 2           |

We would also like to invite representatives from the recipient schools to participate in the Online Orientation on the Utilization of Learning Activity Sheets on April 19, 2022 at 09:00-11:00. Participants may join the Zoom meeting using these log-in details:
