Dear Superintendent Paulin :

Greetings of Peace!

Silliman University is embarking on a recruitment campaign in Negros Oriental to assist students in exploring options for their Senior High School and College education. The University has scheduled a recruitment campaign and career talk for public high schools in May and June 2022. During this activity, we hope to introduce Silliman, present both its Senior High School and college programs and services, and entertain questions from students - from admission procedures, scholarships to the dormitory life on campus. May we seek your approval of our virtual career orientation to the different Junior and Senior High schools under DepEd Negros Oriental division on their preferred date during these months and have the privilege of engaging your Grade 10 completers and graduating Senior High students for no more than 30 minutes?

Apart from this virtual career talk, may we also ask permission to visit the different High Schools and elementary schools to deliver flyers or brochures and letters to parents with the information about the entrance honor scholarship and other scholarships we have in Silliman University and inform them of their child's opportunity to study in Silliman? The University is a certified school of the Department of Education's (DepEd) Government Assistance to Students and Teachers in Private Education Program (GASTPE) and they might want to also avail of this benefit.

We would appreciate any feedback on our request on or before May 4, 2022 (Wednesday). Ms. Yolanda V. Maxino and Ms. Krystle Joyce M. Ozoa will also coordinate with your office to follow up on this request. In whatever way that we can be of assistance with this request, please e-mail us [yolandavmaxino@su.edu.ph](mailto:yolandavmaxino@su.edu.ph) or call us at (035) 422-6002 local 254 or 0917-300-0967. Thank you.
