Dear Sir Paulin,

Greetings!

The Philippine Dental Association Inc. (PDA) will be having its first hybrid convention entitled the "113<sup>th</sup> PDA Annual Convention and Scientific Sessions" with the theme "Within Reach" on May 16-20, 2022 at the SMX Convention Center, Seashell Lane, Mall of Asia Complex, Pasay City and via 3-D virtual convention.

In coordination with this, I, Minda E. Regalado, School Dentist would like to request from your good office to allow me to attend the said event on **Official Business**. The purpose is to abreast the latest updates in dentistry and also this convention will serve as a platform for us participants in improving healthcare in the Philippines

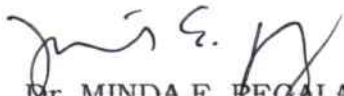

This event will earn credit units for Continuing Professional Development (CPD) requirements as stated in RA 9484, in the Dental Law of the Philippines.

I am looking forward for a favorable response to this humble request. Your support is heartily appreciated.

Thank you and God Bless.

Respectfully yours,

Dear Sir Paulin,

Greetings!

The Philippine Dental Association Inc. (PDA) will be having its first hybrid convention as we forge forth to our 113<sup>th</sup> PDA Annual Convention and Scientific Sessions on May 16-20, 2022 with the theme "**Within Reach**". The Convention will be accessible in-person at the SMX Convention Center, Seashell Lane, Mall of Asia Complex, Pasay City and via 3-D virtual convention platform.

After two years of mostly non-physical interaction, the hybrid convention is a unique opportunity for our delegates and partners in the dental industry to finally come together as we maximize the technology that is now available to us. We are taking all measures to adhere with the local government and IATF policies on health and safety.

The scientific sessions will offer evidence-based lectures, clinical and non-clinical demonstrations, and research presentations. The Convention will also serve as a platform for us to be formidable participants in improving healthcare in the Philippines as there will be a PDA Election and House of Delegates Session to address compelling issues that directly affect our profession and the communities we can serve.

In line with this, we are inviting your **Municipal Dentist- Dr. Minda E. Regalado**, to attend the 113<sup>th</sup> PDA Annual Convention on "**Official Business**" so they can participate and experience the said convention fully. This event will earn credit units for Continuing Professional Development (CPD) requirements as stated in RA 9484, in the Dental Law of the Philippines, and also in compliance with the Dental Code of Ethics.

Attached is a copy of our program activities, and convention rates for your reference.

Thank you very much and we hope that this request merit your kind attention.

Very yours truly,

PHILIPPINE DENTAL ASSOCIATION INC.

# 113TH PDA ANNUAL CONVENTION & SCIENTIFIC SESSIONS #113thPDA #PDAwithinreach

My Dear Colleagues,

Warmest greetings of good health and wellness!

Our fluid situation has deterred us from having our usual encounters. This, however, drives me and the members of the organizing committee of the 113<sup>th</sup> PDA Annual Convention and Scientific Sessions to exhaust all possibilities to deliver a Convention worthy of your time and effort. To cultivate our minds and steady our hearts, the Convention will offer evidence-based lectures, clinical and non-clinical demonstrations and research presentations which will fulfill the annual 15-point continuing professional development units of the Professional Regulation Commission. This will be complemented with an adequate supply of dental materials and equipment by our reliable and trusted partners in the dental industry. It is our hope to render the scientific sessions and the trade exhibition as close to our typical experience as possible. We will remain guided and prepared for all safety and precautionary advisories.

The PDA will be 113 years strong in 2022 but we will continue to face back-to-back issues with this pandemic of loneliness. It necessitates me to emphasize the importance of PDA's leadership and policy-making abilities. The conduct of the PDA election and the carrying out of the sessions of the House of Delegates are fundamental processes to safeguard our profession. The Convention will serve as a platform for us to be formidable participants in the improvement of healthcare in the Philippines.

Because we will significantly contribute to the improvement of life in the Philippines, we will have to stay still but we will not stagnate. As we traverse towards the light beyond the tunnel, know that PDA is *within reach*.

Mabuhay ang dentisting Pilipino!  
Mabuhay ang PDA!

Yours Sincerely,

**DR. CEBYL Y. DEL ROSARIO**  
President-Elect and General Chair  
113<sup>th</sup> Annual Convention and Scientific Sessions
