Dear **Dr. Jimenez**:

Greetings from the Department of Information and Communications Technology (DICT) Visayas Cluster 2!

The Digital Teachers and Learners Project and Cybersafe Learning for Education Project of the ICT Literacy and Competency Development Bureau (ILCDB) aims to build and transform the digital competencies of Filipino teachers through Information and Communication Technologies. We also aim to promote the role of teachers and learners as strategic knowledge partners in accelerating economic recovery and developing the global competitiveness of the Filipino ICT workforce through ICT education, as well as, to deliver cyber-education contents to promote awareness on the issues which learners might encounter in the cyberspace and equip these learners by giving them protective skills and promoting positive online behavior.

In line with our projects' objectives, we would like to invite you to the Cybersafe Practices Massive Open Online Course on **7 March 2022 to 18 April 2022**, **synchronously** through Zoom and **asynchronously** through the **DICT-Modern Academics Convergence Hub 1.0 (MACH1)** Cast Learning Management System. Participants are required to attend the synchronous sessions on 7 March 2022 (Monday, 10:00 AM to 11:30 AM) for the Orientation and on 18 April 2022 (Monday, 10:00 AM to 11:30 AM) for the Wrap-up Session. The free training will provide an in-depth discussion of cybersafe practices for teachers and school-based non-teaching staff in both public and private education sectors.

We will be giving 20 slots for your region. Prospective and qualified participants are requested to register at <https://hubs.mach1.gov.ph>. Attached is the course primer for your reference.

Should you have further concerns on this matter, please contact Ms. Rodina S. Pangilinan through [rodina.pangilinan@dict.gov.ph](mailto:rodina.pangilinan@dict.gov.ph) or 0927-017-8832.

Thank you, and we hope for your favorable response.

Very truly yours,
