Greetings!

In response to the current issue concerning the Milk feeding Program in the Province of Negros Oriental, the National Dairy Authority (NDA) decided to send a team from Central Visayas to the affected student beneficiaries in Sta. Catalina on May 23, 2022. The said team will conduct a thorough investigation to arrive at the soundest and concrete answers to why the incident happened.

With this, I wish to ask for support to our team while they are conducting the investigation. I am hoping for your kind consideration in solving this matter. Thank you and more power.

Kind regards,

ZARAH MAY M. GARCIA
