MEMORANDUM

TO : All Regional Directors
All District Engineers Concerned

SUBJECT : Request for Assistance in Validation or Structural Analysis on the Schools Listed for Replacement to be Funded under the Department of Education's CY 2023 Basic Educational Facilities Fund (BEFF)

Reference is made to the herein letter dated August 19, 2022 (received on August 25, 2022) of Undersecretary Kristian R. Ablan CESO I of DepEd, requesting joint DepEd/DPWH validation of the schools noted in the attached listing that needs classroom replacement due to damages incurred from different calamities from 2016-2021, for your information and reference.

In this regard, you are directed to instruct your concerned District Engineers to coordinate with DepEd Educational Facilities Division Engineers or Schools Division Superintendent and conduct joint inspections of the school buildings to ascertain the buildable spaces, building types, soil conditions and other preliminary detailed engineering studies including the preparation of the final detailed engineering designs and cost estimates necessary for funding. Please note that the said lists are not yet subject for procurement and an official endorsement will be made once the CY 2023 list for BEFF-New Construction is finalized.

The result of the validation and the prepared cost estimates must be submitted to the office of Atty. Kristian R. Ablan, Undersecretary for Administration, DepEd, copy furnished the office of the undersigned, no later than September 30, 2022.

For your immediate and appropriate action/s.

SUBJECT : **REQUEST FOR ASSISTANCE IN VALIDATION OR
STRUCTURAL ANALYSIS ON THE SCHOOLS
LISTED FOR REPLACEMENT**

Dear Assistant Secretary Molano:

Greetings from the Department of Education (DepEd)!

This is to respectfully request for a joint DepEd and Department of Public Works and Highways (DPWH) validation of the attached list of schools that needs classroom replacements due to the damages incurred from different calamities that happened from 2016-2021.

The said validation is essential for the verification of the proposed list to be funded in the CY 2023 Basic Education Facilities Fund (BEFF) - New Construction.

The joint validation will focus on the following: ascertain buildable space, building types, soil conditions and other preliminary detailed engineering studies and the preparation of final detailed engineering designs and cost estimates which is necessary for funding.

We will appreciate receiving the result of the validation and the prepared cost estimates by **Friday, 30 September 2022**.

Please note that the said list is not yet subject for procurement. An official endorsement will be made once the CY 2023 list for BEFF - New Construction is finalized.

For your consideration and appropriate action.

Thank you.

Sincerely,

ATTY. KRISTIAN R. ABLAN, CESO I
