Dear **Dr. Jimenez:**

Greetings!

The University of Cebu- Main Campus is one of the successful grantees of the Discovery-Applied Research and Extension for Trans-Inter-Disciplinary Opportunities (DARE-TO) Grant-in-Aid by the Commission on Higher Education for the research project entitled: ***The Region 7 and Negros Island Region K to 12 Implementation Experience: A Proposed Learning Management System***. In this project, the University of Cebu- Main Campus is the lead institution, with Silliman University (Dumaguete City), Holy Name University (Tagbilaran City), and University of San Jose Recoletos (Cebu City) as collaborating higher education institutions.

At this stage, the research proponents have successfully prepared the final reports of the fifteen (15) publishable articles about the profile of the K to 12 Basic Education Program implementation experience in Region VII and Negros Island, problems encountered in its implementation by the senior high school principals, teachers, and students, and the stakeholders' desired features for the learning management system (LMS). Hence, there will be a "Senior High School Stakeholders' Conference" to be conducted by the University of Cebu tentatively on May 18, 2022, from 8:30 A.M. to 5:00 P.M. at the DepEd Ecotech Center, Sudlon, Lahug, Cebu City. In this activity, the proponents of the projects will present the salient findings, recommendations, and other vital details of the research to the main stakeholders of the K to 12 Program, particularly the Senior High School.

The University of Cebu would like to invite you, the different department heads, Schools Division Superintendents, selected Senior High School principals, teachers, and students in Region 7. The University of Cebu will shoulder the expenses for the food and venue for the event.

I am looking forward to your favorable action to this request. Thank you so much.

Respectfully yours,
